Director’s Letter

As the phased reopening of our city facilities and programs continues, we are excited to celebrate spring and welcome back more members of the community to our recreation and library facilities.

This season, we continue to offer recreation and library programming consistent with county, state, and federal guidelines through a combination of in-person and online programs. We encourage you to use this guide to discover new programs, events and classes for yourself, your children, or the whole family. This issue includes some new opportunities and programs we are eager to share.

We are proud to introduce an exciting new project: **Tailored Recreation & Education Collections or TRECs!** With grant funding from the Pacific Library Partnership, Pleasanton Public Library will launch TRECs first at Alviso Adobe Community Park in spring 2022 and at other City sites during the remainder of the year. The program will bring library materials, programs, and services outside the Library walls. **Alviso Adobe Community Park** will host a new local history and nature-focused book collection and companion lecture series featuring historians and others. **Gingerbread Preschool’s** in-house library will be expanded and refreshed and enrolled families will have the added convenience of checking out materials to enjoy at home. **Amador Recreation Center** will be equipped with a collection of teen-and-tween appropriate books as well as role-playing and tabletop games for after-school student gatherings.

To celebrate **National Library Week in April**, **Pleasanton Public Library** will hold a **New Library Card Design Contest**, and all Pleasanton residents are invited to participate. The winning artwork will be featured on the new library card. See page 41 of the activity guide for all the contest details or visit www.pleasantonlibrary.org.

Library and Recreation Department staff offer a variety of programs and services that encourage community members to *Discover, Connect, and Enjoy* the features that make Pleasanton unique: natural beauty and history, high quality programming for all ages, and opportunities to connect through arts, entertainment, sports, and activities. If you have feedback or ideas on future programming, please contact Heidi Murphy, Library and Recreation Director, at hmurphy@cityofpleasantonca.gov or (925) 931-3406. **If you are interested in joining our team and sharing your ideas and talents with us, please apply online at the City’s human resources page.**

I am (or my child is) physically fit to participate in this activity. I understand that the activity that I (or my child) enrolled in may involve risks and that serious injuries could occur while I am (or my child is) participating in this activity. Depending on the nature of the activity, the risks and hazards may increase.
